

We love to travel and our recent trip to New Orleans was made extra special with visits to “The Pit Crew” adoption program for pit bulls at the Louisiana SPCA, and to the Southern Animal Foundation where we watched a low-cost veterinary clinic in action. See more photos of the New Orleans rescues on the **About Us** page of AmericaHelpsAnimals.com and read about their programs on the Louisiana link in **Helping State-by-State**.

Underdog Rescue MN was the latest animal group to get \$500 after Jim, The Animal Lover’s Real Estate Agent, sold a house. Remember, a rescue **anywhere in the United States can get a \$500 donation** as long as Jim sells the house in the Minneapolis/St.Paul area and the buyer or seller mentions **your favorite rescue**. So forward this newsletter with Jim’s website link <http://www.jimhubal.edinarealty.com> to your friends all over the country and ask them to tell their friends in Minnesota to contact Jim. **SOLD=\$500 for your favorite rescue!**

Keep letting us know about all the amazing things you do for animals.
